

October 1956

MEMO TO: Chief, Intelligence Information Staff, ORR
THRU: Chief, Administrative Staff, ORR
Chief, Economic Research
Chief, Materials Division
FROM: Chief, Nonferrous Metals & Minerals Branch
SUBJECT: Request for Travel to Attend the Exposition of the
American Society for Metals

It is requested that official travel be authorized for the following:

Trip:

- a. Personnel - [REDACTED]
- b. Itinerary - Exposition of the American Society for Metals, Cleveland, Ohio.
- c. Date of departure - 9 October 1956
- d. Duration of trip - (incl. travel time) 3 working days
- e. Persons to be contacted - None

25X1A9a

Purpose:

To increase the capabilities of the Nonferrous Metals & Minerals Branch in matters relating to the development, processing, and utilization of a wide-range of non-ferrous metals and metal alloys.

It is considered that a tour of this exposition where hundreds of non-ferrous metals and metal alloys will be on display would significantly augment the knowledge and appreciation of the above named individuals of the technology supporting these developments.
